RESOURCE SHARING FOR EFFECTIVE USER SATISFACTION: INNOVATIVE POLICIES TO STRENGTHEN LIBRARY NETWORKING RELATIONSHIPS

📅 **8th and 9th May 2025**   📍 **Shiv Nadar University**

ABOUT THE CENTRAL LIBRARY

The Shiv Nadar University's Central Library is a cornerstone of academic life at the University, providing a modern, dynamic environment for research, learning, and knowledge sharing. Spread across 35,000 square feet on two floors, the library offers state-of-the-art facilities to support the academic and research needs of students, faculty, and researchers.

Accessible through the online portal https://library.snu.edu.in/, the library provides users with an extensive range of academic resources, including journals, e-journals, online databases, Ph.D. theses, and project reports. The library ensures that users have easy access to these resources remotely, facilitated by Shibboleth, allowing faculty and students to access invaluable content from anywhere.

The library is fully automated, utilising the Koha Integrated Library Management System (ILMS), and incorporates RFID technology for seamless book borrowing and returning through self-check-in/check-out kiosks.

Additionally, the library hosts an institutional repository, DSpace (Digital Repository Software), where a wealth of academic resources such as Ph.D. theses, project reports, and faculty publications are accessible through the University's intranet.

As part of its commitment to providing global access to knowledge, the library is a member of numerous prestigious consortiums and academic societies, including ACM Digital Library, IEEE, ASCE, APS, and RSC.

With its cutting-edge infrastructure and a wealth of resources, the Shiv Nadar University Library continues to be a central hub of academic excellence, supporting the intellectual pursuits of the university community.

MESSAGE FROM
THE LIBRARIAN

With its ship-like regal structure, the iconic Shiv Nadar University Central Library is one of the most visited and admired locations on campus. The centrally air-conditioned library provides a welcoming and dynamic environment for students and faculty to engage with various academic resources. It offers an extensive collection of books, scientific and technical journals, electronic reference materials, and different multimedia resources to support the educational and research needs of the university community.

Equipped with a fully automated process, the library's Information Centre includes various sections such as reference, circulation, audiovisual, periodicals, and dedicated spaces for e-journals, theses, dissertations, and institutional repositories. These resources cater to the diverse academic demands of students and researchers at all levels. The library's open-access digital collections ensure that information is easily accessible to users, even remotely, through Shibboleth for e-resources.

In addition to its impressive infrastructure, the library incorporates cutting-edge technologies, including RFID-based self-check-in/check-out kiosks for seamless access to library materials. The library's institutional repository, powered by Dspace, a digital repository software, hosts Ph.D. theses, project reports, and faculty publications, further enhancing its role as a centre for knowledge sharing and academic excellence.
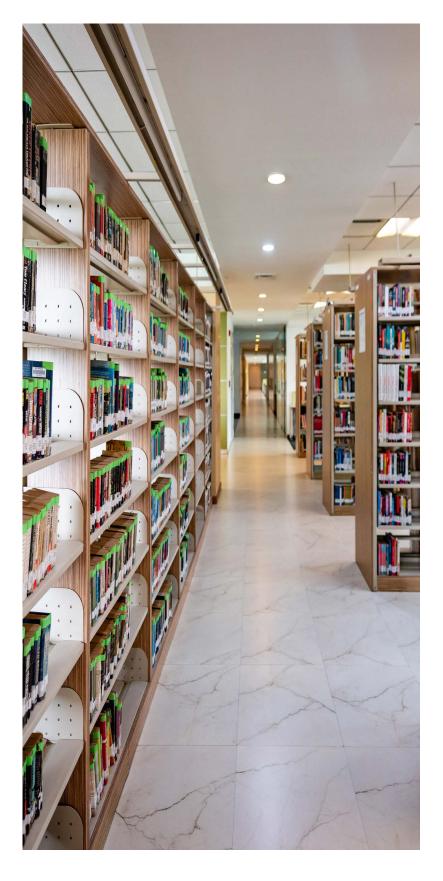

The Shiv Nadar University Library is an indispensable hub for intellectual growth and academic success with its world-class facilities, extensive resources, and commitment to supporting scholarly pursuits.

Shiv Nadar University Library is committed to empowering knowledge, fostering research, and enabling the scholarly development of students and faculty, contributing to the ongoing pursuit of academic excellence.

(University Librarian, Central Library)

ABOUT THE
SEMINAR

The 2-day National Seminar on Resource Sharing: Innovative Policies to Strengthen Library Networking, scheduled for May 8 and 9, 2025, will bring together academic librarians and professionals across India to discuss pressing issues and share knowledge on strengthening library networking. The event will focus on key topics such as "One Nation, One Subscription," digital resource archives, library consortia, and more.

The seminar will provide practical solutions and actionable insights to benefit libraries of all sizes. As the landscape of libraries evolves in response to new challenges and opportunities, resource sharing remains a fundamental part of ensuring equitable and comprehensive access to information for all. Through this seminar, we aim to foster collaboration and build a unified vision for the future of library resource sharing across the country.

Two-Day

NATIONAL SEMINAR ON

Resource Sharing for Effective User Satisfaction: Innovative Policies to Strengthen Library Networking Relationships

📅 **8th and 9th May 2025**

📍 **Shiv Nadar University**

INTRODUCTION

In today's information-driven world, libraries are crucial in providing equitable access to knowledge. However, the growing demand for diverse resources and limited budgets require innovative solutions. Resource sharing has proven effective, enabling libraries to collaborate and expand their resource offerings. The national resource-sharing seminar will explore various models, strategies, and technologies to enhance library services and improve access to information. Key objectives include discussing "One Nation, One Subscription," digital resource archives, consortia, automation, digitisation, information retrieval techniques, interlibrary loans, and intranet utilisation.

SEMINAR DETAILS

Scheduled for May 8th and 9th, 2025, on the Shiv Nadar University, Delhi NCR campus, this seminar will convene leading librarians from private and government academic institutions. The event aims to foster discussions and explore strategies for resource sharing and journal subscriptions. The seminar will be attended by librarians from over 40 leading institutions across India, facilitating a comprehensive exchange of ideas and best practices.

OBJECTIVE

- ⊘ To deliberate on "One Nation, One Subscription."
- ⊘ Construct and augment in-house Digital Resource Archives.
- ⊘ Scrutinise the role of library consortia in fortifying resource-sharing initiatives.
- ⊘ Examine the influence of automation and digitisation on library operations.
- ⊘ Implement a spectrum of Information Retrieval Techniques and Interlibrary Loan Systems.

Main Themes to Explore

- ⊘ One Nation, One Subscription
- ⊘ Building and Expanding Digital Resource Archives
- ⊘ Exploring the Role of Consortia in Resource Sharing
- ⊘ Advancing Automation and Digitisation in Libraries
- ⊘ Highlighting the Use of Information Retrieval Techniques
- ⊘ Enhancing Interlibrary Loan Systems
- ⊘ Leveraging Intranet Systems for Internal Resource Sharing
- ⊘ Promoting Collaboration and Knowledge Sharing Among Libraries
